PRAYER WALK

Saturday 9 – 11 AM
Community Welcome!

On the third Saturday of each month from 9–11 AM, Southland Community Church hosts a Prayer Walk in honor and support of those who serve or have served in our Military and Public Safety Departments. A beautiful, half-mile paved path winds around Southland Community Church offering inspirational sights and sounds as you stop to pray for various agencies and individuals. Feel free to come and go as you please.

Our military and public safety personnel don't take the day off for rain, snow, cold or other bad weather conditions, so we aren't going to take the day off either. We might even have a warm fire going during the winter months. We understand not everyone can participate in the outdoor walk, so we offer two options for indoors—an indoor walk and a prayer room with comfy seating.

If you have specific prayer requests, we want to pray for you. Send your requests to: Wanda Winburn | wanda878@att.net
John Dixon | johnjdixon@comcast.net
